WFDC MISSION STATEMENT

- **The Winchester Field Development Council is a non profit organization formed to raise funds to support the construction and renovation of playing fields for Winchester.**
- **The MISSION of the WFDC is to:**
 - **Support the construction of adequate, safe and accessible playing fields for the community residents, athletes and students.**
 - **Provide community centered playing fields which are useable by and accessible to all members of the community.**
 - **Promote community health, wellness and fitness.**
 - **Maximize the use of town resources by creating venues which can be used by multiple sports teams.**
 - **Provide playing surfaces which enable the town to host local, regional and statewide competitions.**
 - **Support and encourage the youth of the community in the pursuit of excellence in athletic competition and in fostering town and school pride.**

MANCHESTER FIELD RENOVATION PROJECT OVERVIEW

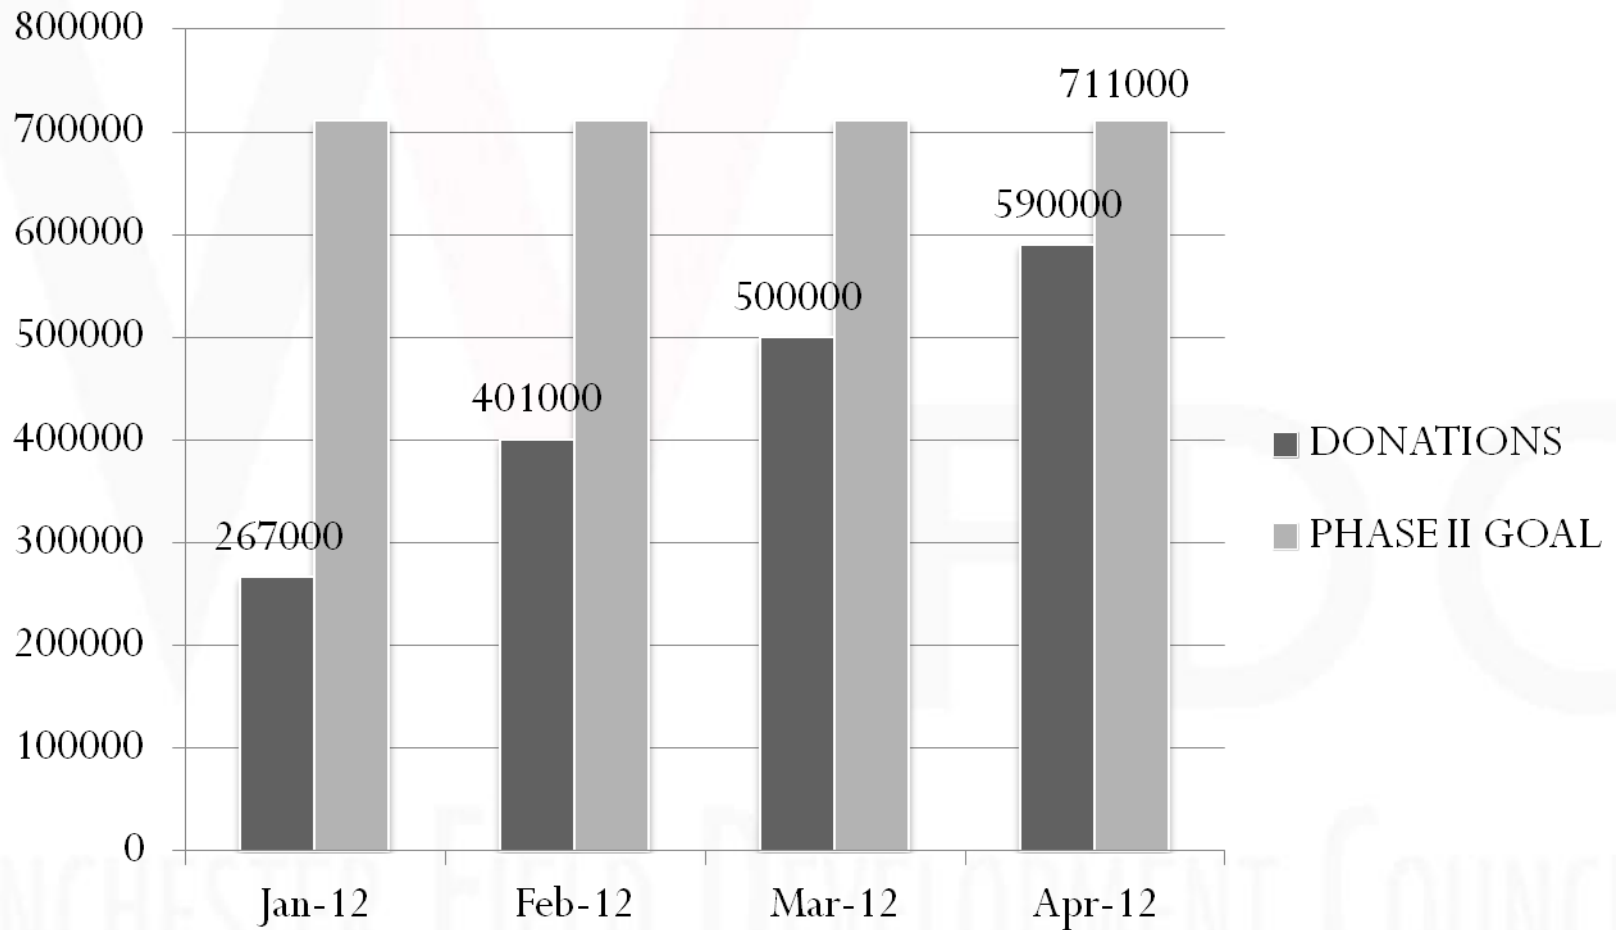

Phase I Complete

- Create a multi-purpose synthetic turf surface at Manchester Field
- Construct bleachers at Manchester Field with capacity for 800.
- Make drainage improvements to Manchester Field.
- Move the 90' baseball from Manchester Field to the Lynch School Field

PHASE II SCOPE AND FUNDING NEED

- **Phase II of the Manchester Field Renovation Project is highlighted by a new Track and Field Facility to be located at the front of Manchester Field with a new grass surface inside the track oval.**
- **The Track will feature eight (8) lanes on the front straight away and six (6) on the turns and down the backside. The facility will also have the following features: Two Shot Put areas, Two long/triple jump pits, One high jump platform and a Discus Platform with Net.**
- **The grass field inside the track oval is designed for multi-purpose usage.**
- **The total cost for Phase II is \$911,000 of which \$200,000 will come from public money, provided that the balance of \$711,000 is secured by June 30, 2012.**
- **To date the WFDC has secured nearly \$590,000 in cash and pledges of the needed private funding leaving only about \$121,000 to go and roughly 45 DAYS until the deadline!!**
